Impressive Contour™ Multiwrapper with Velocity™ Stacker; up to 480 cartons per minute

ALEXANDRIA, MN. (August 13, 2015) – Douglas Machine exceeded customer expectations with an innovative multiwrapper integrated with a Velocity™ stacker capable of 480 cartons per minute. The solution meets market demand for family 4-pack bundling of macaroni and cheese. Cartons are stacked, collated into three lanes and shrink wrapped. Downstream, bundles are packed on an Axiom® intermittent motion case packer maintaining the high carton rate.

About Douglas Machine Inc.

Founded in 1964, Douglas Machine Inc. is a global leader in automated secondary packaging solutions for paperboard, corrugated and shrink film. The company specializes in the design and manufacture of cartoners, sleeves, case/tray packers and shrink-wrap systems. Based in Alexandria, MN, Douglas is an employee-owned company that has installed more than 7,000 machines in 30 countries. For more information, visit www.douglas-machine.com.
