Douglas Offers Single-Cell Top Load Case Packer for Wine Market

ALEXANDRIA, MN. (December 29, 2015) – Douglas is expanding its case packing offering to the wine market with fully integrated top load case packing machines for wine bottles. Integrated single-cell solutions include case erecting, loading, partition inserting and case sealing. Case print and label integration are also available. Expect to see labor reductions, shorter changeovers and a smaller footprint, along with increased line efficiencies.

About Douglas Machine Inc.

Founded in 1964, Douglas Machine Inc. is a global leader in automated secondary packaging solutions for paperboard, corrugated and shrink film. The company specializes in the design and manufacture of cartoners, sleeves, case/tray packers and shrink-wrap systems. Based in Alexandria, MN, Douglas is an employee-owned company that has installed more than 7,000 machines in 30 countries. For more information, visit www.douglas-machine.com.
